### **Bradley International Airport Launches New, Nonstop Service to Las Vegas**

**Windsor Locks, CONN – August 9, 2022** – The Connecticut Airport Authority (CAA) is pleased to announce that new, nonstop service from Bradley International Airport to Las Vegas is launching today. The first flight is scheduled to depart for Harry Reid International Airport (LAS) this afternoon.

“We are thrilled to celebrate Frontier Airlines and their inaugural flight to Las Vegas,” said Kevin A. Dillon, A.A.E., Executive Director of the Connecticut Airport Authority. “Thanks to new nonstop service and Frontier’s low fares, our passengers can get to this exciting destination easily and affordably. We are grateful for Frontier’s continued investment at Bradley International Airport and look forward to our continued partnership in bringing exciting new routes and great travel deals to Connecticut.”

“Frontier is excited to continue to grow in Hartford,” said Daniel Shurz, Senior Vice President of Commercial at Frontier Airlines. “Our new nonstop service from Bradley International Airport to Las Vegas offers consumers an affordable and convenient option for visiting one of the most popular vacation destinations in America.”

The new service to Las Vegas operates daily, with the inaugural flight taking off as follows:

BDL to LAS: 5:46 PM EST (Departure) – 8:22 PM PT (Arrival)

The new nonstop service complements Frontier Airlines’ existing menu of nonstops from Bradley International Airport. In addition to Las Vegas, the airline currently offers service to Atlanta, Denver, Orlando, Raleigh-Durham and San Juan. Frontier Airlines has been operating at Bradley Airport since 2018.

### **About Frontier Airlines**

Frontier Airlines (NASDAQ: ULCC) is committed to “Low Fares Done Right.” Headquartered in Denver, Colorado, the company operates more than 110 A320 family aircraft and has among the largest A320neo family fleet in the U.S. The use of these aircraft, Frontier’s seating configuration, weight-saving tactics and baggage process have all contributed to Frontier’s continued ability to be the most fuel-efficient of all major U.S. carriers when measured by available seat miles (ASMs) per fuel gallon consumed.

### **About Bradley International Airport**

Bradley International Airport (BDL) invites you to “Journey On” and once again experience the convenience of traveling at New England’s second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops, expanded services and accredited COVID-19 safety measures. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport contributes nearly \$3.6 billion to the regional economy. For more info, visit [www.flyBDL.org](http://www.flyBDL.org).

### **About The Connecticut Airport Authority**

The CAA was established in 2011 to develop, improve, and operate Bradley International Airport and the state’s five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut’s airports more attractive to new airlines, bring in new routes, and support Connecticut’s overall economic development and growth strategy.
