Frontier Airlines to Debut Nonstop Service to Tampa from Bradley International Airport

Service will begin in March 2024

Windsor Locks, CONN – December 14, 2023 – The Connecticut Airport Authority is pleased to announce that ultra-low fare carrier Frontier Airlines will be launching nonstop service between Bradley International Airport (BDL) and Tampa International Airport (TPA). Flights will begin on March 7, 2024, and operate four times a week.

“Thanks to Frontier Airlines for introducing more low-cost flights at Bradley International Airport,” said Kevin A. Dillon, A.A.E., Executive Director of the Connecticut Airport Authority (CAA). “We greatly appreciate their addition of nonstop service to Tampa and look forward to our continued partnership in bringing exciting new routes and great travel deals to our region.”

To celebrate the new route, the airline is offering introductory fares as low as \$49* one way.

“Frontier’s growing operation at BDL is fabulous news for consumers in the greater Hartford and Springfield region— who now have a convenient and affordable option to visit Tampa and explore the area’s beaches and numerous attractions,” said Josh Flyr, vice president, network and operations design, Frontier Airlines.

Currently, travel on Frontier Airlines can be booked through August 2024. Frontier also flies between Bradley International Airport and San Juan (SJU), Orlando (MCO), and Raleigh-Durham (RDU).

About Bradley International Airport

Bradley International Airport (BDL) is New England’s second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops and expanded services. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport

contributes nearly \$3.6 billion to the regional economy. For more info, visit www.bradleyairport.com.

About The Connecticut Airport Authority

The CAA was established in 2011 to develop, improve, and operate Bradley International Airport and the state's five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut's airports more attractive to new airlines, bring in new routes, and support Connecticut's overall economic development and growth strategy.
