

## **Environmental Assessment for Proposed Cargo Development and Perimeter Road Relocation Project at Bradley International Airport**

The Connecticut Airport Authority (CAA) has developed preliminary plans to relocate a portion of Perimeter Road to allow for the construction of a cargo facility near Runway 24. The CAA is preparing an Environmental Assessment to evaluate the potential environmental impacts of, and mitigation to be included in, the proposed project, pursuant to the National Environmental Policy Act (NEPA).

**Please join us for the Environmental Assessment Public  
Informational Meeting for the Proposed Cargo  
Development and Perimeter Road Relocation Project at  
Bradley International Airport**

**Thursday, February 29th, 2024  
5:00 – 7:00 PM**

**Commission Room  
Connecticut Fire Academy  
32 Perimeter Road  
Windsor Locks, Connecticut 06096**

---

This will be an open house style meeting with informational boards describing the preliminary plans, potential alternatives, the Environmental Assessment process, and next steps, with staff available to answer any questions the public may have.

Written comments regarding the proposed project and any environmental concerns to be considered during the environmental assessment process will be accepted at the meeting or via email through **March 15, 2024**.
