## ***Bradley International Airport Welcomes BermudAir, Launches Nonstop Service to Bermuda***

**Windsor Locks, CONN. – April 3, 2025** – The Connecticut Airport Authority is pleased to announce that BermudAir officially launched its inaugural nonstop flight from Bradley International Airport (BDL) to Bermuda's L.F. Wade International Airport (BDA) on Thursday evening. The new service will operate year-round, twice a week – on Thursdays and Sundays.

"We extend a warm welcome to BermudAir as they begin operations at Bradley International Airport and greatly appreciate their investment in our region," said Michael W. Shea, Executive Director of the Connecticut Airport Authority. "BermudAir's presence at Bradley Airport will allow for faster access to Bermuda and more convenience for both leisure and business travelers."

BermudAir will operate flights between Connecticut and Bermuda on its Embraer 175 aircraft, with a flight duration of two hours. Additionally, Bermuda's airport provides border preclearance for passengers returning to the United States, which means that they clear U.S. Customs and Border Protection in Bermuda before returning to BDL.

"The launch of our service between Bradley International Airport and Bermuda marks an exciting milestone for BermudAir. This new route strengthens our commitment to providing seamless, premium travel experiences while deepening the connection between Bermuda and New England," said Adam Scott, Founder and CEO of BermudAir. "We're thrilled to welcome Connecticut travelers aboard and look forward to introducing them to the warmth and hospitality that define BermudAir and Bermuda."

Bermuda is Bradley International Airport's fifth international destination, offering local travelers more opportunities to explore the island's unique pink sandy beaches, history and vibrant culture. The service is also furthering business connectivity between Connecticut's insurance and Bermuda's reinsurance sectors. BermudAir is Bradley International Airport's 12<sup>th</sup> passenger airline.

To celebrate the new service to Bermuda, passengers on the inaugural flight were treated to a celebratory send-off prior to their departure.

###

**About Bradley International Airport**

Bradley International Airport (BDL) is New England's second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops and expanded services. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport contributes nearly \$3.6 billion to the regional economy. For more info, visit [www.bradleyairport.com](http://www.bradleyairport.com).

**About The Connecticut Airport Authority**

The CAA was established in 2011 to develop, improve, and operate Bradley International Airport and the state's five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut's airports more attractive to new airlines, bring in new routes, and support Connecticut's overall economic development and growth strategy.
