UPGRADES UP AHEAD

Travel through Bradley International Airport is about to get a lot better. More gates, dining, shopping, and amenities are on the way — plus faster check-in, quicker exits, and streamlined security with an expanded TSA screening checkpoint.

- More gates, dining, shopping, and amenities
- Faster check-in of your checked luggage thanks to new 80,000 square feet inline screening facility
- Quicker exits with new passenger lanes for better flow
- More efficient security screening with added TSA lanes

Streamlined Terminal Experience

- New exit lanes on both sides of the terminal for faster departures
- Redesigned meet & greet areas in baggage claim for easier connections
- More elevators and escalators for improved accessibility
- New TSA lanes and expanded queue space for faster security

The result: shorter lines, less congestion, and smoother travel.

Hassle-Free Baggage Check

- New inline baggage screening facility — drop bags at check-in, no extra stops
- 5,000 feet of new bag belts for faster processing/screening
- More ticket counters and quicker passenger flow

The result: less hassle, more convenience.

More Gates, More Dining, More Comfort

- A brand-new concourse with three gates
- 35,000+ square feet of new space for hold rooms, restrooms, and relaxation
- Upgraded shopping and dining options

The result: a more enjoyable airport experience.

Financing Information

Bradley has invested more than \$250 million into these infrastructure projects, with some of the more visible upgrades set to begin in early spring 2025.

All projects are funded through a combination of federal grants, passenger facility charges, and airport revenues. They are not financed by local taxes.

Coming Soon

We're elevating your dining and shopping experience with exciting upgrades already in place and more on the way — many made in partnership with our valued concession partners.
